KIOSK
Looks like you can even buy screen tone at kiosks now.
Eh!
MANGA
It seems like there's been a boom in mangaka drawing during their commute, and I just had no idea about it.
I went to look at the stores they said were underground in Otemachi.

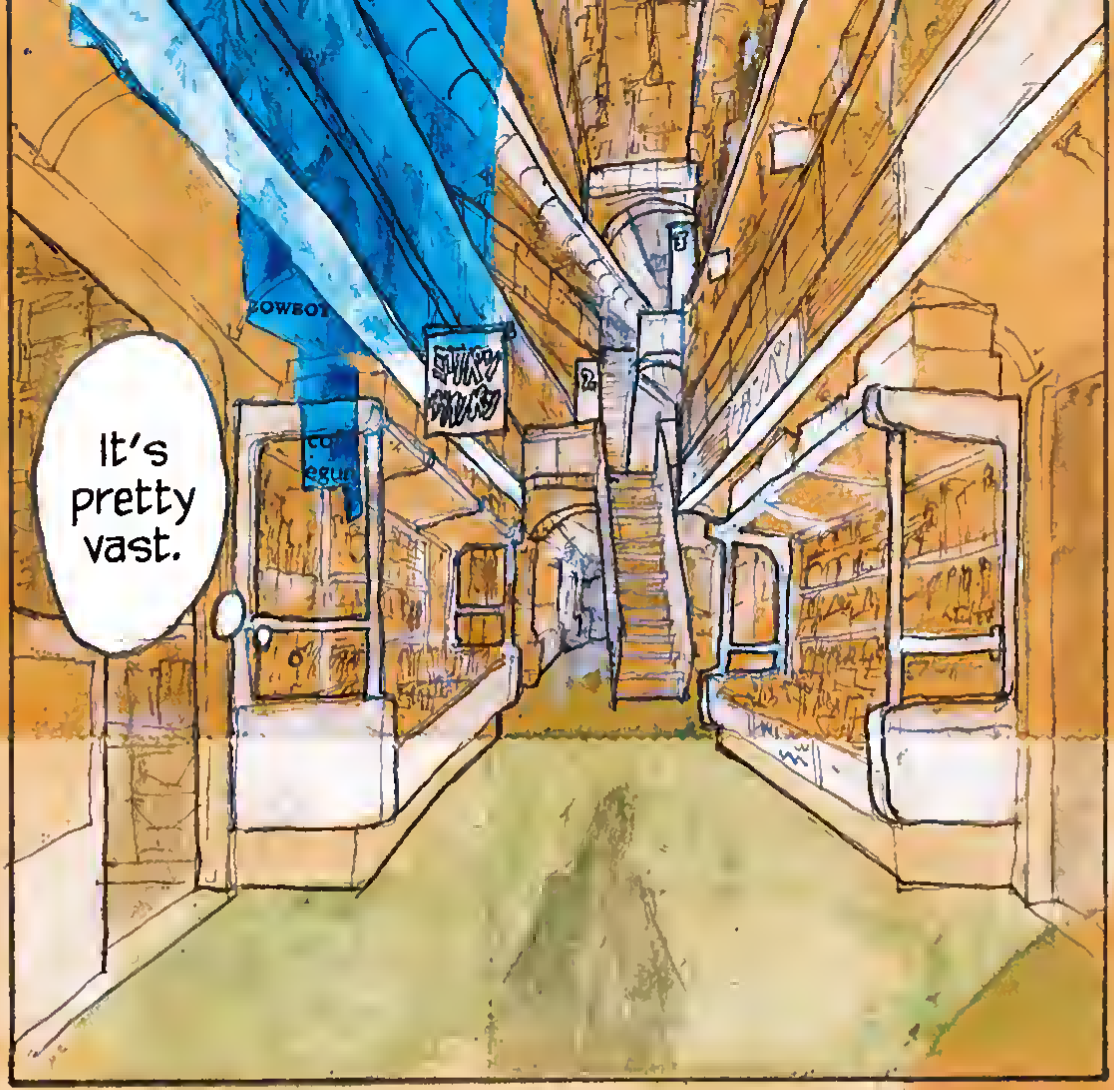
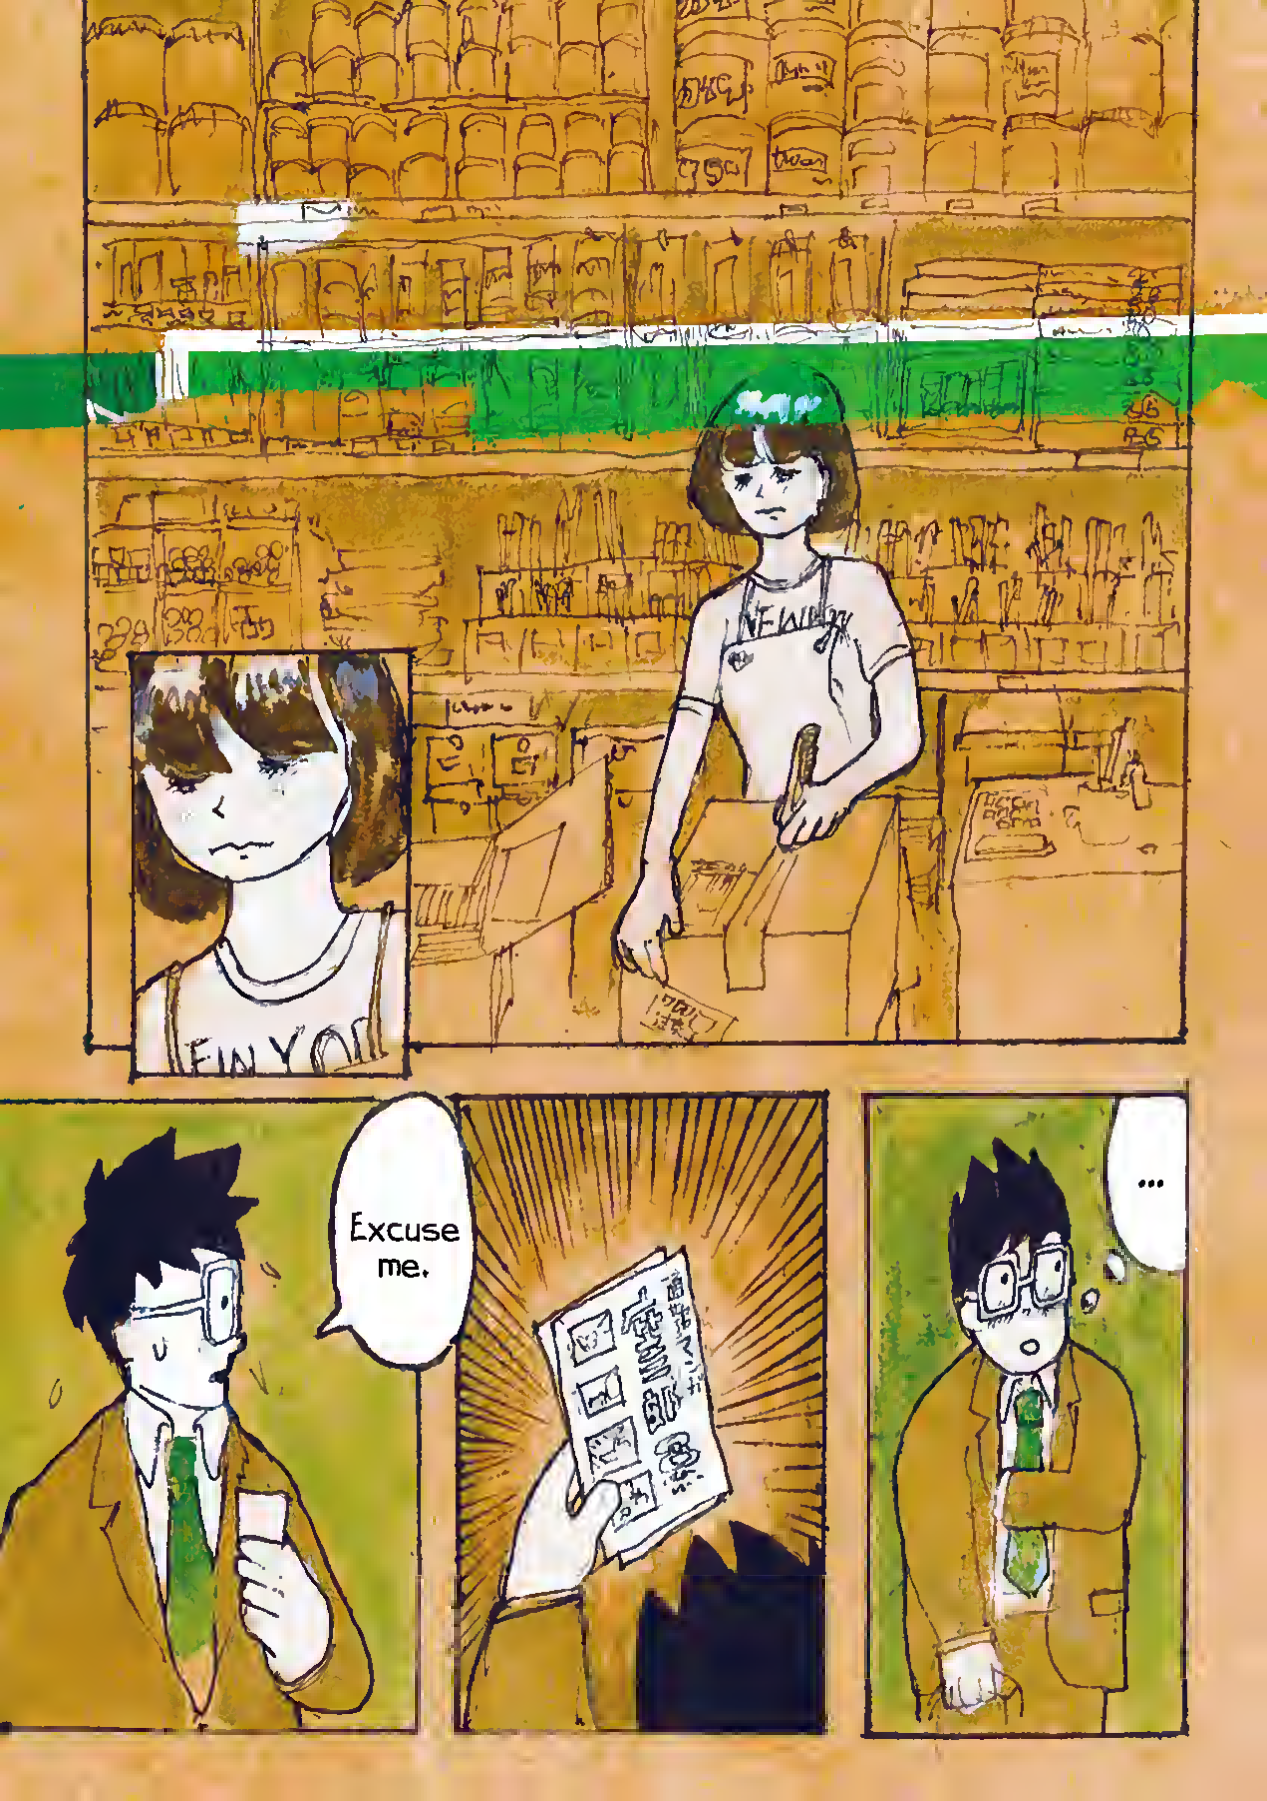
ENTRANCE



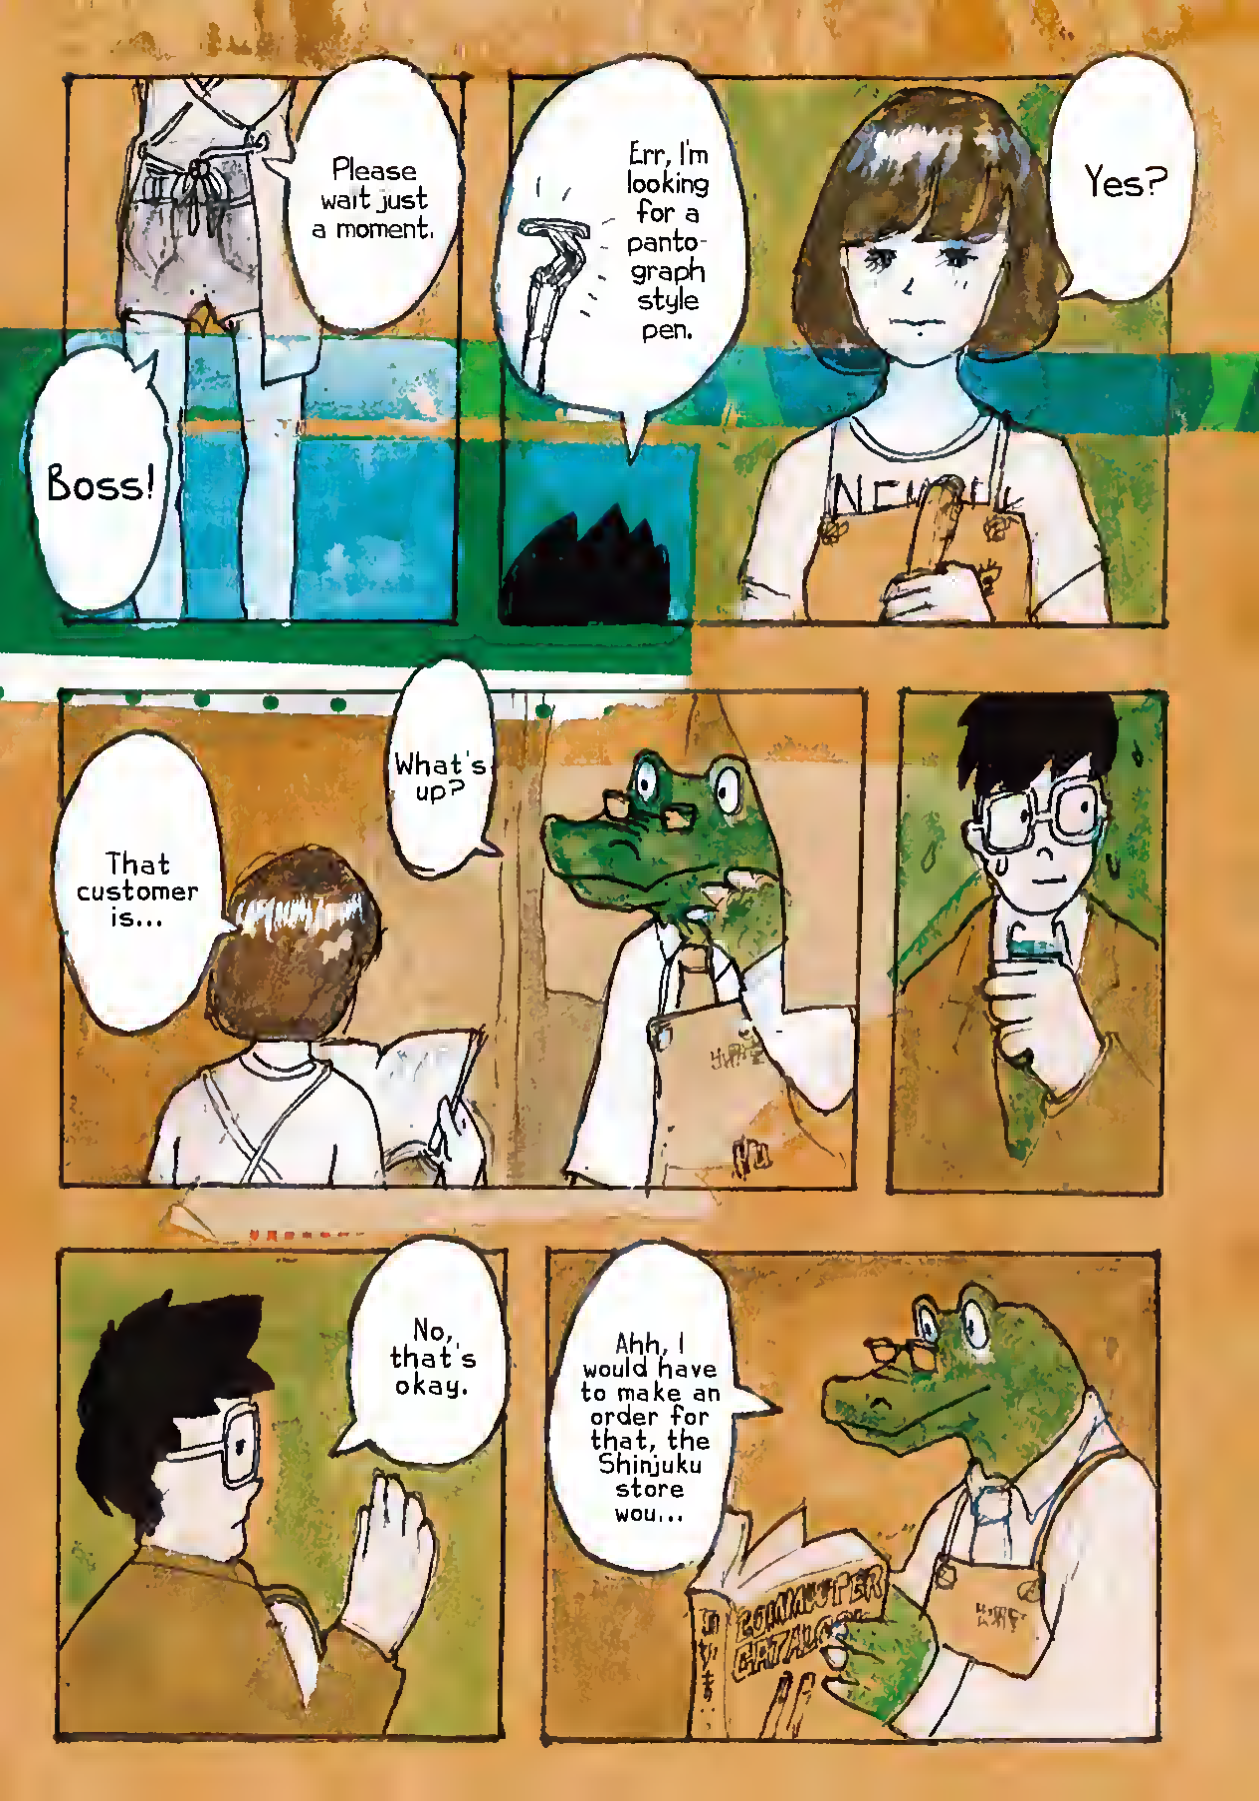
It's pretty vast.

Ahh.

This section here's just entirely timetable pencils...



Excuse me.
...



Please wait just a moment.
Boss!
Err, I'm looking for a panto-graph style pen.
Yes?
What's up?
That customer is...
No, that's okay.
Ahh, I would have to make an order for that, the Shinjuku store wou...

The manager was a croco-dile...
Oh.

Croco-diles are tough to deal with...
